

# Make Room Hampton Roads Corporate Sponsorship Form Cloverleaf Adopt-a-Room

**Make Room Hampton Roads** is a group of concerned and involved people from the business community in our region. Initiated as a class project for the Lead Hampton Roads Class of 2007, the Make Room Hampton Roads Team decided to help VA Supportive Housing with their Adopt-a-Room campaign for the Gosnold Apartments in Norfolk. The Gosnold Apartments are the country's first apartment dwelling intended to offer a place for formerly homeless individuals to have restarted their lives with employment and self-sufficiency.

The Gosnold Apartments in Norfolk were successfully completed in 2007 and are now fully occupied. The next project is the Cloverleaf Apartments in VA Beach. The Cloverleaf Adopt-a-Room campaign is starting in late 2007, with the goal of funding the furnishings for Cloverleaf in time for its completion in October of 2008.

VA Supportive Housing, along with the Make Room Hampton Roads group are asking for your generous donation to help Cloverleaf become a home for people in VA Beach who are committed to reentering society.

Visit our website at [www.makeroomhr.org](http://www.makeroomhr.org) for more information on the project and how you can get involved.
